## Mayfield

ST LEONARDS - MAYFIELD SCHOOL

### Prize Giving 2010

Please note that this year's Prize Giving will be held on **Friday, 24th September 2010** at the **Assembly Hall in Tunbridge Wells from 17:00 to 19:30**. Further details will follow at the beginning of September.

### Extra-Curricular Activities 2010/2011

The School places great value on what the girls learn and experience beyond the classroom, as it complements all that they achieve through the curriculum. It is for this reason that we have further enhanced the range of extra-curricular activities on offer. This year's Beyond the Classroom Extra-Curricular Activities Handbook is currently in production and will be posted to you at the end of August. Included in this will be a detailed timetable of activities offered, as well as a sign-up form for completion, which should be returned to the School Office on the first day of the Autumn Term. However, if your daughter will be involved in the **Sports Team Trials on Saturday, 11th September 2010** and is, therefore, unable to finalise her choice of activities, please ensure that the form is returned to the School Office **as soon as possible after the trials**.

In general, the Extra-Curricular Activities Programme will start on **Monday, 20th September 2010**.

### Autumn Term 2010 Calendar of Events

The Calendar of Events is also in the process of being produced and will be sent to you at the end of August. We would, however, draw your attention to the fact that as this calendar is produced some time in advance of the start of the Autumn Term, it is advisable to check and confirm dates by referring to the School's website at [www.mayfieldgirls.org](http://www.mayfieldgirls.org) or directly with the School Office staff. Likewise, sports fixtures should always be double-checked on the Sports notice board or on the School's website.

### Information for Parents

We are pleased to advise that all future Information For Parents will be sent to you by **email** as an **"e-newsletter"** which, we believe, will be a more efficient and cost effective communication tool going forward. A data collection sheet is included in this mailing for completion to ensure that we have your up-to-date contact information, including your email address(es).
